

Instruction

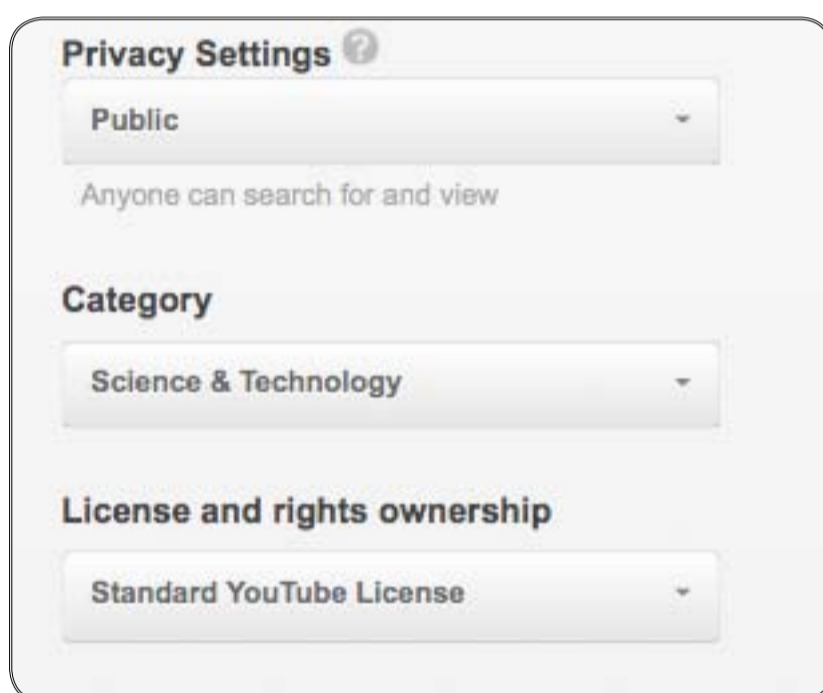

1

titleofwork_yearofcreation_artist_#1_nameofarchiver.fileformat

A work is documented as screencast of the computerscreen displaying the artwork, and at least one camera documenting the user 'using' the artwork. These documentations must be uploaded to youtube with the exact length, and same title, separated from each other by numbers as #1, #2..

2

3

Use the form below and paste it in the description field on youtube. Fill in the information about the artwork as shown in the example.

Description
